

SGRM ABSTRACT PRIZE

The aim of the SGRM abstract prize is to reward the best abstract of a research project conducted in Switzerland in the field of reproductive endocrinology or reproductive medicine.

The first author of the best abstract will have the opportunity to present the full research project at the Women's health congress (10 minutes oral presentation [8 minutes presentation / 2 minutes discussion]) and will receive a personal reward of CHF 1'000.

**Projects
to be considered**

Any projects covering gynecological endocrinology or reproductive medicine are considered.

Submission deadline

October 31st, *only* electronically to the [SGRM administration](#) for the following Women's health congress.
