# WELCOME

Dear SGRM members, dear Swiss reproductive physicians and embryologists,

Following the premiere of the first SWISS POST-ESHGRAM meeting in 2021 with around 80 attendants and an overall score of 5.6 (6 = maximum), the SGRM is happy to announce the 2<sup>nd</sup> meeting.

Based on the evaluation the meeting will again take place in Bern in the same meeting hall as in 2021. And as in 2021, six Swiss reproductive physicians and embryologists and one moderator will focus on exciting new and established reproductive medicine and embryology topics which have been presented at ESHRE and ASRM 2022.

The Swiss evening will take place in a very nice Italian restaurant, which has been carefully chosen to allow socializing and a relaxed evening.

The SGRM welcomes you to the 2<sup>nd</sup> Post-ESHGRAM meeting in the middle of Switzerland, in Bärn.

Michael von Wolff  
President of SGRM
