Science Award

SGEM supports Science!

Swiss Society for
Gynaecological Endocrinology
Contraception and Menopause

The SGEM aims to support research on gynecological endocrinology, contraception, menopause and women´s health.

Therefore, the SGEM Science Award of 1000 CHF will be given to the author of the best scientific abstract.
The award ceremony will take place at the Women´s Health Congress, 21.01.2027, Zürich

www.gynendo.ch
administration@gynendo.ch

Young and experienced scientists are encouraged to submit their abstracts for the SMG award, and to present and discuss their work with other experts. The SMG specifically welcomes scientific work on interdisciplinary topics like women´s health and e.g., nutrition, internal medicine, cardiology, oncology, opthalmology, osteology.

Abstracts can be submitted from Germany, Austria and Switzerland in either English, French or German language.

The abstracts should cover the sections introduction, material and methods, results, discussion and conclusion. The abstracts should not exceed 500 words and has to be submitted as a word document.

Please submit your abstract via email to "administration@gynendo.ch". The email titel should be "SGEM-News Science". The complete contact details of the author have to be included.
Deadline for submisson: 1st of December 2026

The Winner will present his/her abstract in a ten minutes speech at the Women's Health Congress, 21.01.2027 in Zürich
